

BAR *au Lac*

The Bar Au Lac at Hotel Royal offers an exquisite setting with panoramic views of Lake Lucerne. Its name, “Au Lac,” meaning “by the lake,” reflects the unique sense of exclusivity and serenity that defines this refined retreat.

At Bar Au Lac, we place a strong emphasis on local specialties, including artisanally brewed beers, carefully distilled spirits, and a curated selection of regional wines, all chosen to reflect the character and craftsmanship of the surrounding area.

Luzern
